[1638] Fragment of a work on Adab al-mu'allimin (rules for teachers). The text cites many old authorities (like Ibn Sahnun). The text is perhaps compiled by Ibn Arafa al-Warghami al-Tunisi who died 803/1401 (GAL S II 347). The author is introducing his own words by qultu and twice (fol.1r, -2 and lv, ult.) by qala Ibn Arafa qultu.
